January 2010

Dear Colleague,

The Missouri Nursing Students' Association (MONSA) is pleased to announce it is hosting a Nursing Showcase and Career Day. This exciting event will be held Wednesday, April 21, 2010 in Cape Girardeau, Missouri at Southeast Missouri State University in the University Center-4th Floor. We are requesting your participation as a sponsor for this event. The exhibit time will be from 10:00 A.M.-1:30 P.M. Set up will be from 9:00 A.M.-10:00 A.M. The University Center is located on the corner of Henderson and Normal Street. Parking will be in lot on Henderson Street across from the University Center.

We are pleased to announce that there will be a special presentation by the Hurst Review Services. Hurst Review Services was founded in 1988 by Marlene Hurst who is a Registered Nurse. Marlene Hurst's famous reviews provide nursing students a new approach to learning about healthcare topics, understanding them, and ultimately to be able to apply them in life-or-death situations.

The day will begin with a seminar titled, "How to Survive Nursing School". The presentation will provide the participants a humorous look at nursing school and how nursing school affects all aspects of their life. In the afternoon, there will be a NCLEX "Brain Bowl" Nursing Trivia event. This will be a two hour event that will entail teams of students competing in a Trivia fashion while learning about the NCLEX, levels of questions, test taking strategies and review questions with rationales.

The cost for sponsorship is **\$200.00** which will provide you an exhibit table and recognition on the MONSA website and other marketing materials. Please complete the attached registration form and return it to the MONSA office no later than **April 9, 2010**. Because exhibit space will be limited, we ask that you notify us of your intent to exhibit as soon as possible so we may reserve a table for you. An agenda and the application for sponsorship is attached.

We hope you will give serious consideration to participating in this exciting event. Your organization will reach a potential audience of 100 – 200 RNs and nursing students. This will provide you with an opportunity to connect with the future of our profession as well as experienced RNs. Come showcase the many achievements of your organization and provide resources to RNs and students that will empower them to becoming a part of the nursing profession.

Please contact Desma Reno, the MONSA Consultant at 573-651-2939 or 573-979-2468 or email her at monsa@charter.net for additional information.
